

SOZO TESTIMONIAL

WHAT SOZO HAS DONE FOR ME

SOZO has been one of the greatest and most life impacting experiences I have ever had. SOZO has bandaged and healed me of all of my spiritual and mental wounds. SOZO has transformed my thinking to be more righteous in the sight of the Lord. This experience has renewed my mind with structure, responsibility and discipline. SOZO has taught me how to live and apply to my life the Christian principles found in the Bible and the 12 steps. I am learning how to successfully maintain my sobriety, faith and spiritual centeredness.
